

I e-Conference: Poland – Italy – Taiwan

Saturday, 27th March 2021

9.00-13.30 (UTC+01:00)

Internet platform - MEETING15

Language: English (simultaneous interpretation for the Polish audience)

Responsible for the programme: Dr. Andrzej Ignaciuk, Dr. Emanuele Bartoletti, Dr. Patrick Huang

Programme

8.55

Informational and commercial break

9.00 am

Opening remarks: Dr. Emanuele Bartoletti, Dr. Patrick Huang, Dr. Andrzej Ignaciuk

9.10 am

Aesthetic medicine in Poland, Italy and Taiwan

9.35 am

What is a typical patient: in Poland, Italy and Taiwan? The most common procedures, statistics etc.

10.00 am

Informational and commercial break

10.05 am

Lasers and other energy sources

Evidence-based medicine in recent times: Dr. Piotr Szelewski (Poland)

10.20 am

Round table (evaluation of clinical cases, discussion of selected topics regarding laser techniques)

Moderator: Dr. Kamila Padlewska

Experts:

Poland - Prof. Paweł Surowiak, Dr. Piotr Szelewski

Taiwan – Dr. Carl Cheng, Dr. Chien-Nien Lee

Italy – Dr. Nicola Zerbinati, Dr. Filippo Balconi

TOPICS TO DISCUSS:

1. A holistic approach to laser therapies that improve the quality of the skin.
2. Hyperpigmentation, melasma – what laser, when, combined therapy.

11.00 am

Informational and commercial break

11.05 am

Botulinum toxin and so-called fillers

Evidence-based medicine in recent times: Dr. Gloria Trocchi (Italy)

11.20 am

Round table discussion (evaluation of clinical cases, discussion on selected topics regarding botulinum toxin and so-called fillers)

Moderator: Dr. Emanuele Bartoletti

Experts:

Poland – Dr. Andrzej Ignaciuk, Dr. Cezary Pszenny

Taiwan – Dr. Fang-Wen Tseng, Dr. Nai-Ren Hsu

Italy – Dr. Gloria Trocchi, Dr. Ivano Iozzo

TOPICS TO DISCUSS:

1. Is it possible to model (change) the face using fillers and botulinum toxin. If yes then how?
2. Can we talk about ‘face lift’ using fillers and botulinum toxin, especially in a lower part of the face?

12.00 pm

Informational and commercial break

12.05 pm

Non-surgical lifting techniques (lifting threads, fat tissue, HIFU and others)

Evidence-based medicine in recent times: Dr. Shang-Li Lin (Taiwan)

12.20 pm

Round table discussion (evaluation of clinical cases, discussion on selected issues related to the main topic)

Moderator: Dr. Patrick Huang

Experts:

Poland – Dr. Lubomir Lembas, Dr. Piotr Rak

Taiwan – Dr. Shang-Li Lin, Dr. Tsai-Min Lin

Italy – Dr. Annalisa Calisti, Dr. Luca Piovano

TOPICS TO DISCUSS:

1. Thread implantation – when can we say STOP? What are the limits: how often? how many?
2. Combined therapy: threads, HIFU, RF. What do we have to know? How to choose the proper order of the treatments? Can we combine them etc.?

13.00 pm

Informational and commercial break

13.05 pm

SARS-CoV-2 virus spike-related delayed inflammatory reaction to hyaluronic acid. Is there any problem?

Evidence-based medicine in recent times: Dr. Cezary Pszenny (Poland)

Experts:

Poland – Dr. Dorota Krzyżanowska-Gernand

13.30 pm

Closing remarks
